# DX300 WIRELESS HEADSET SYSTEM

## TESTIMONIALS

"We try to keep up with the best in all of our equipment and the DX300 is the best wireless headset system I have used. The ease of use, clarity of sound and ease of setup makes it top. We have been blessed to be able to use this system."

– Coach Sean Doyle, Cathedral Catholic High School,  
San Diego, CA, CIF Division III Champion 2007

"All of us at Saint Augustine football are ecstatic about HME's DX300 sideline communication system. In the past several seasons, we have gone through multiple systems and finally we have found a system that provides the audio clarity, reliability and ease of use that we need and want. Now we no longer worry about when or if our headsets will go out. It is awesome to be able to focus on what matters...our players and our game plan."

– Coach Jerry Ralph, St. Augustine High School,  
San Diego, CA, CIF Division III Champion 2005 & 2006

"The quality of the technology and the flexibility of the system allow us to maximize our communication during our games."

wants to worry about on game night is headsets and Oshkosh North High School never worried about this system."
