

Henry W. Phillips Co. to Represent HME's Pro Audio Systems

HWPco to Represent HME in the Southern U.S.

San Diego, CA – February 19, 2008 -- The Henry W. Phillips Co., or HWPco, recently became a member of HME's growing family of pro audio representatives. HWPco will represent HME in Southeastern Region including North and South Carolina, Georgia, Alabama, Mississippi, and Tennessee.

HWPco is a great addition to the HME team," said John Kowalski, Sales Director of HME Pro Audio. "They have a fantastic staff, with offices located throughout the territory, to support dealers, consultants and end users in this area of the United States."

The HWPco staff completed training on the HME Pro Audio line of products in December 2007 and has a full inventory of HME products available for demonstration and evaluation.

HWPco can be reached by phone at 800-877-3070 or via their website at www.hwpc.com.

About The Henry W. Phillips Co.

HWP Company is a team of well-seasoned veterans holding long term relationships with contractors, integrators and consultants possessing a full understanding of our customers and their needs. Our emphasis is in Sound, Audio/Visual, Security and Home Integration as well as the engineering market.

About HME

Founded in 1971, HME is an innovative technology company focused on enhancing productivity and customer service for the pro audio market. HME recently announced the new DX300 Wireless Intercom System to further complement their industry-recognized DX series. For more information on the DX300 or any of the HME pro audio products or distributors, please log-on to www.hme.com.
