

HME Pro Audio Solutions Expand into India

AGIV India to Distribute HME Pro Audio Products

SAN DIEGO, CA – September 3, 2008 -- HME welcomes AGIV to its network of professional audio dealers. AGIV will be the dealer for HME products in the Indian market with regional offices in Bangalore, Delhi and the head office in Mumbai.

"We are very excited to be able to include AGIV in the experienced network of HME Pro Audio dealers," said Jennifer Cassidy, HME Regional Sales Manager. "AGIV and its team of professionals have over 40 years of combined expert knowledge in the broadcast industry, and use their background to tailor each solution to meet that specific client's needs."

About AGIV

AGIV India Private Limited is one of the largest agency houses representing/distributing (exclusively) broadcast equipment from world-renowned companies. Its endeavor is to help end users in capturing events without any distortions and delays.

Complementing its superior product range, the company offers a well-knit marketing and services network. Prompt response and a professional approach have been the hallmark of the company's customer support efforts.

To contact AGIV, e-mail binod.singh@agiv-india.com or refer to their website at www.agiv-india.com.

About HME

Founded in 1971, HME is an innovative technology company focused on enhancing productivity and customer service for the pro audio market. HME recently announced the new DX300 Wireless Intercom System to further complement their industry-recognized DX series. For more information on the DX300 or any of the HME pro audio products or distributors, please log on to www.hme.com.
