HME Adds More Sales Representatives for Pro-Audio Line

San Diego, CA — HME today appoints seven additional new sales representatives for the new DX200 Digital Wireless Intercom product line. These representatives are working with the HME sales staff to establish professional DX200 dealers and sound contractors nationwide.

In addition to HME's first sales rep, Kodo Associates, below is the most current list of sales representatives for the DX200 line:

- Audio Marketing Associates, Ohio, (440) 526-2426
- BC Electronics, Kansas, (785) 825-1196
- Brainard-Nielsen Marketing, Illinois, (847) 734-8400
- Burcaw Company, Michigan, (248) 616-9800
- CB Electronics Marketing, Colorado, (303) 422-0561
- Dimension/Point IX Marketing, Texas, (281) 578-9277
- Eaton Sales & Marketing, New York, (800) 782-3670
- Kodo Associates, Minnesota, (952) 881-1255

HME's DX200 Digital Wireless Intercom operates within the 2.4 GHz range, offers exceptionally clear, hands-free communications, and is immune to interference from systems operating in the UHF or VHF bands; no license is required. The DX200 employs the latest digital techniques such as frequency hopping spread spectrum with digital encryption for more secure communications. The belt-pacs are the smallest and lightest available today.

About HME

HME is a leading provider of customer-focused solutions to enhance the performance and productivity of businesses in a variety of markets. Incorporated in 1971, HME was a pioneer in the development of the first wireless intercom system for the pro-audio industry. From communications to entertainment, security to pedestrian tracking, HME's wireless and digital innovations are transforming many industries, including pro-audio, quick service restaurants, casinos and other retail. With award-winning products such as the PRO850 Wireless Intercom used for high-end broadcast and professional theatres, HME develops and delivers a comprehensive line of customer-driven solutions to over 80 countries worldwide.
