

## HME's Worldwide Network of Pro Audio Distributors Expands

*Q-99 to Represent HME in Slovakia and TVC in the Ukraine, Belarus, Kazakhstan, Latvia & Lithuania*

**San Diego, CA --- July 6, 2007** --- Audio professionals in Slovakia, the Commonwealth of Independent States and the Baltic region now have direct access to award-winning wireless systems from HME – the leader in Digital Wireless Intercom Systems for the pro audio industry.

"Q-99 is a well-established company. They have a great attitude and a solid understanding of our products," said John Kowalski, Sales Director of HME's Pro Audio Division. "We're excited to have them in our distribution network".

Q-99 Sound & Light will distribute the DX Series of Digital Wireless Intercom Systems and the award-winning PRO850 Wireless Intercom System to users in Slovakia. For more information, contact Q-99 at [www.Q-99.sk](http://www.Q-99.sk).

"TVC has the reputation and resources that are essential for success in the pro audio market," Kowalski commented. "We're lucky to have such a great company representing HME systems."

TVC will distribute HME's pro audio solutions to customers in the Ukraine, Belarus and Kazakhstan in addition to the Baltic States of Latvia and Lithuania. For more information, contact TVC at [www.tvc.tv/en](http://www.tvc.tv/en).
