

FOR IMMEDIATE RELEASE

CLEAR-COM WAS AWARDED THE PANORAMA AUDIOVISUAL AWARDS 2012

The company has won an award in the category of "Best Intercom System".

SAO PAULO, SEPTEMBER 4, 2012 – During the Broadcast & Cable Show 2012, held in Sao Paulo (Brazil) in August 21rd - 23th, Clear-Com received an award at the "Panorama Audiovisual Awards 2012" in the category "Best Intercom System" – Tempest2400.

More than 100 companies competed in 48 categories. Voting was carried out through a dedicated website, and the winners are decided online by the readers of the magazine Panorama Audiovisual.

The "Panorama Audiovisual Awards" selects the best equipment and solutions that allow creation, production, storage and delivery of content for TV, IPTV, Film, Radio and Mobile. "Our readers selected the more efficient technologies used by broadcasters and producers in Brazil," says Fernando Gaio, managing editor of the magazine. "We are honored to pay tribute to the representatives of the winning companies, as well as their distributors in our country."

About Clear-Com®

Clear-Com, an HME company, is a global provider in professional voice communications systems since 1968. We develop and market proven intercom technologies such as Analogue and Digital Partyline, Digital Matrix, Wireless and Intercom-over-IP systems for critical communication applications in broadcast, performance venues, military, government and enterprise markets. Recognized for our legacy of intercom innovations, production teams around the world have come to depend on Clear-Com for clear, reliable and scalable communications solutions.
