

FOR IMMEDIATE RELEASE

CLEAR-COM APPOINTS HANS CHIA AS ITS REGIONAL SALES MANAGER FOR SOUTHEAST ASIA

- Hans Chia brings extensive professional audio and intercom experience—

ALAMEDA, USA – 22 July 2015 – Clear-Com®, a global provider of real time communications and connectivity solutions, has appointed Hans Chia to the role of Regional Sales Manager responsible for Southeast Asia. Hans' responsibilities will include expanding Clear-Com's market reach in the APAC region by managing and developing local channel partners and championing the company's broad range of industry-leading intercom and connectivity solutions.

With over 11 years of pro audio industry experience, Chia joins Clear-Com Systems from Sennheiser Audio where he held the role of Integrated Systems Product Specialist, developing, establishing and maintaining contacts with new and existing clients in Southeast Asia. Prior to this he worked at Riedel Communications Singapore office as the Rental Operations Manager / Application Engineer. During his tenure, Chia managed numerous projects within the Southeast Asia region including direct engagements with consultants and key user accounts, channel development and managing trade shows and product demonstrations.

Chia commented, "My real-world experience of working on large-scale deployments throughout the region will help me build on Clear-Com's already strong foundation in Southeast Asian markets. I am excited to join this dynamic and forward thinking company."

Ann Williams, Director of Sales Asia Pacific, Clear-Com, said, "Hans brings with him an excellent record of pro audio knowledge and a deep understanding of the industry and the region. We have every confidence that he is the right person to lead Clear-Com's Southeast Asia region as we continue to develop our range of global services."

About Clear-Com®

Clear-Com, an HME company, is a trusted global provider of professional real-time communications solutions and services since 1968. We innovate market proven technologies that link people together through wired and wireless systems.

Clear-Com was first to market portable wired and wireless intercom systems for live performances. Since then, our history of technological advancements and innovations has delivered significant improvements to the way people collaborate in professional settings where real-time communication matters. For the markets we serve -- broadcast, live performance, live events, sports, military, aerospace and government-- our communication products have consistently met the demands for high quality audio, reliability, scalability and low latency, while addressing communication requirements of varying size and complexity. Our reputation in the industry is not only based on our product achievements, but also on our consistent level of customer engagement and dedication to delivering the right solutions for specialized applications, with the expertise to make it work. Around the globe and across markets, Clear-Com's innovations and solutions have received numerous awards and recognitions for ingenuity and impact to customers.
