DATE AND TIME CHANGE
EOS|HD and Ion|IQ Headset Systems

Navigation
- The 8 buttons on the left and right sides of the screen are similar to an ATM machine. They will select the option that’s on the screen next to it.
- When options for < and > appear, this will move your character selection to the left and right.
- When options for + and – appear, this will increase or decrease the value of the selected character or setting.
- The BACK button below the screen on the left will show you the previous screen.

Temporary Access Codes
