## Applying Settings to Your ZOOM Nitro® Timer Via the HME CLOUD®

The following instructions demonstrate how to use HME CLOUD tools to manage settings across all of your ZOOM Nitro devices. This functionality streamlines the process and eliminates the need to make manual changes to each device.

1. Log in to your HME CLOUD account at hmecloud.com.

HOSPITALITY & SPECIALTY COMMUNICATIONS

- Note: Only HME CLOUD users with the **Apply Device Settings** and **Edit Device Settings** permissions enabled can modify or apply Device Settings.
- **HME**CLOUD<sup>®</sup> LEADERBOARDS SETTING WELCOME DASHBOARD REPORTS SETTINGS Welcome HME Sales! **Quick Links** Announcements Welcome to the updated HME 🎉 Smack Talk We've made some updates CLOUD and ZOOM Nitro Drive-HME Cloud Portal and Cloud Leaderboards thru Optimization system! Services Agreement, resulting in Stores Navigate using the Quick Links or a change to the "Share Data with click "Get Training" to access Users Corporate" default permission your HME Training Portal and My Account setting. Moving forward, the watch videos on how best use permission will default to Display your HME products to improve 'Shared' as the initial setting if a drive-thru performance and crew store from a new, and previously unassociated, franchise brand is engagement. linked to your account. Through the HME CLOUD, you can set store goals, monitor On June 9th, 2022, the data share performance across your permissions for all franchise enterprise, and much more. brands currently linked to your Everything you need to optimize account were also reset to the
- 2. On the HME CLOUD Welcome page, click SETTINGS.

3. You will be brought to the **Stores** page.
